

# PNEUS: PRESSÃO E SULCO.

Calibre com pneu frio, na pressão do manual. Olhe sulco, cortes e bolhas.

A close-up photograph of a motorcycle's rear tire. The tire is dark and shows signs of wear. A bright orange circle highlights a specific area on the tread where the rubber has worn away, revealing the underlying structure. An orange line points from this circle to a label. The background is dark and out of focus.
